

## **CITB Site Supervisor Safety Training Scheme (SSSTS)**

### **Course Aim**

To ensure those with site supervisory responsibilities understand why they are carrying out their identified duties, what is expected of them and that they contribute to the safety of the workplace.

### **Who Should Attend?**

First line managers - those who have, or are about to acquire supervisory responsibilities who require an understanding of legal responsibilities relevant to their work activities. The course provides a sound knowledge base enabling them to give valuable assistance in safely managing a construction site.

**Duration** 2 days

### **Agenda**

- Health and safety law
- Developing a health and safety management system
- Occupational health
- Fire prevention and control
- Risk assessment and method statements
- Hazardous substances
- CDM regulations
- Working At Height
- Personal Protective Equipment
- Manual handling
- Accidents and first aid

### **Certification**

Delegates successfully completing the course will be awarded a CITB Construction Skills Certificate.
